STRAWS SUCK

We are 100% plastic straw free and committed to sustainability and reducing waste by minimising the use of single use straws. By doing this we are contributing to keeping the ocean's wildlife alive and safe. Please note paper straws are available on request!

• CIAO •

Whoever said "less is more" definitely wasn't Italian.

I hope you enjoy my huge selection of Prosecco and Franciacorta from Northern Italy, with most wines – including my brand new VINO D'Acampo range available by the glass.

I thought you would also like to try some classic Italian cocktails I like to drink when I'm back home, as well as artisan beers and the finest in hand-crafted Italian gin amari and vermouth.

• PROSECCO •

Prosecco is native to the north east of Italy, produced from glera grapes in the Venetian hills around the town of Treviso. Prosecco DOC production spans the regions of Veneto & Friuli-Venezia Giulia. Prosecco Conegliano Valdobbiadene Superiore DOCG can only be made in the province of Treviso in the hills between Conegliano & Valdobbiadene but it's the juice from the grapes harvested on the famous Cartizze hill that contribute to what is widely recognised as the Grand Cru of Prosecco.

• PROSECCO ROSÉ •

Still like the Prosecco you know & love – but bubblier & packed with ripe red fruit, and the best bit – every bottle of Prosecco Rosé is 'millesimato' making it even more special than your typical Prosecco as the grape juice inside the bottle is from a single harvest!

New This Season

• CLASSIC ITALIAN COCKTAILS •

The bustling Piazzas of Milano, Verona & Firenze have inspired an entire movement within cocktail culture to embrace drinks lower in alcohol & characterised by bold and bitter flavours that help to wash down the bite-size foods synonymous with the golden hours of Aperitivo. Few drinks epitomise Italian drinking culture like the Venetian Spritz – a throwback to the La Dolce Vita of the 1960s.

PINO SPRITZ £8.25

Prosecco with elderflower, Fever-Tree soda, mint leaves & lime

On the island of Sardegna we discovered a new Spritz-style cocktail made with Prosecco and elderflower, a unique flower found on the Italian mountains which gives a delicate sweet aroma to the drink. My friend and Comandante Pino Spano introduced me to it, it's fantastico - you have to try it!

• BELLINIS •

It is impossible to go to Venezia without visiting Harry's Bar for a Bellini. The iconic venue just off the Grand Canal was where Giuseppe Cipriani, the proprietor, perfected the art of blending peaches with Prosecco. We love the Bellini as you can play around with the recipe, and although we will never tire of the original, why not try some of our seasonal variations?

Prosecco with pureed kiwis & pear nectar

PEACH £7.50
Prosecco stirred with pureed white peaches

PASSION FRUIT & ELDERFLOWER £7.50
Prosecco stirred with white peach, passion fruit & elderflower
